

What is GA Milestones?

- The Georgia Milestones Assessment System is designed to provide information about how well students are mastering the state-adopted content standards in the core content areas of English Language Arts, Mathematics, and Science.
- Importantly, Georgia Milestones is designed to provide students with critical information about their own achievement and their readiness for their next level of learning – be it the next grade, the next course, or the next endeavor (college or career).

Who Takes the Test?

- 3rd, 4th, and 5th Grade students will take the GA Milestones Assessment.
- 3rd and 4th Grade take ELA and Math only.
- 5th Grade will take ELA, Math, and Science

Test Online**

How Can I Help my Child?

- Get plenty of rest and eat right. Take care of your body and your mind will do the rest.
- Talk to your child about what is expected on the test.
- Review material with your student.
- Remind your child that the test is just one look at what they know. Their class work, projects, and other tests will also show their teachers how much they have learned throughout the year.
- Practice the GA online experience
- Be at school and on time every day of testing.
